EVIDENCE REGARDING SUBMISSION OF PRIORITY DOCUMENTS

The Notice of Allowability dated May 27, 2005 for the above-referenced case, indicates that acknowledgment is made of a claim for foreign priority under 35 U.S.C. § 119(a)-(d) or (f). However, the Notice of Allowability indicates that none of the certified copies of the priority documents have been received. Applicant respectfully submits that this is incorrect.

Certified copies of priority documents GB 9621469.7 and GB 9621885.4 were submitted with the Response to Notice to File Missing Parts of Application filed August 31, 1999 in the parent case, US Patent Application No. 09/291,215. A copy of this filing is attached hereto as Appendix A, which includes copies of the first page of the certified copies of the priority documents.

In addition, the previous Notice of Allowability in this case, dated January 6, 2004, indicated that all copies of the certified priority documents have been received. A copy of this Notice of Allowability is also attached hereto as Appendix B.

Accordingly, Applicant respectfully requests that the Office confirm that these documents have been received.
